Some Public Libraries with Digital Value Line Access

All: Start with your local library first, then go to one of the following California libraries next.

Non-residents: Phone during library hours. "Showing proper identification" means you need to go to the library in person with your photo ID showing your address.

All: Verify current Library Card rules *at a specific library's website*. We don't know all California libraries with remote access to Value Line. And rules do change. Version: as of 04/29/2024

Library Name & address	Phone number & library card information

Reminder: Look for buttons, tabs, and hyperlinks to drill down deeper into a Digital Report module. You can view different components of a module (Quarterly, Annual, Charts, or data, etc.) and Customize, Print, or Download a report. Buttons, tabs, and hyperlinks are inconsistent from module to module and sometimes within the same module. Be brave. Explore.

The screenshot shows a navigation panel on the right side of a report. It includes buttons for 'Quarterly' and 'Annual' views, a 'PRINT' button, and a 'Show chart' link. The main content area shows sections for 'PEERS' (with sub-sections 'Valuation', 'Ranks & Ratings', 'Table') and 'SCORE RATINGS' (with sub-sections 'Price Stability', 'Price Growth Persistence', 'Earnings Predictability'). There are also 'Hide' buttons and a 'PDF Reports' button on the left.

Charting Buttons, Date Ranges, Drop-down Menus, and Value Line Projections

The toolbar contains date range buttons: 1d, 5d, 1m, 3m, 6m, 1y, 3y, 5y, 10y (highlighted), Max, and Custom. It also has 'Value Line Chart', 'Value Line Projections', and 'Start Over' buttons. Below these are three green buttons: 'ADD INDICATORS', 'ACCESS TOOLS', and 'ADD COMPARISONS', each with a dropdown arrow.

Indicators Menu

The Indicators Menu is open, showing a list of categories: Fundamentals, Trend, Momentum, Volume, and Show Events. The 'Fundamentals' category is expanded, showing sub-options: P/E Ratio (checked), Revenues, and others.

Tools Menu

The Tools Menu is open, showing options: Chart Styles, Trend Lines, Cursor Display, Scale, and Frequency. The 'Scale' option is expanded, showing 'Linear' and 'Logarithmic Linear' (checked).

Comparisons Menu

The Comparisons Menu is open, showing a list of comparison options: Value Line Composite, DJIA, S&P 500, and 'Add a security'. The 'Add a security' option has a text input field with the placeholder 'Company name or symbol'.
