- Instructions to create PDF for:
- Online Stock Selection Guide
- Toolkit or Classic

The screenshot shows a document titled "Instructions to Create PDF of SSG" with the BetterInvesting logo. It contains two sections of instructions, each enclosed in a red box. The first section, "Using Online Stock Selection Guide", lists steps: "Select Print from menu at top of page", "Under Options for Printing, check box labeled Sections", "Click View PDF button", "Select Save from File Download dialog box", "A Save As dialog box will appear. Select a folder to Save in and enter a file name. Then click on Save", and "Go to that folder to find your PDF file". The second section, "Using desktop stock analysis software, such as Toolkit or Classic", lists steps: "Install a program to create PDF files from any portable document (CutePDF Writer (free) available at <http://www.cutepdf.com>)", "Follow on screen instructions to complete the installation", "Use CutePDF Writer to create PDF documents", "Open your original document and select Print command in File menu of your application to bring up Print dialog box", "Then select CutePDF Writer as the Printer to print. (DO NOT select 'Print to file' option)", "You will get a Save As dialog box prompted for saving created PDF file. Select a folder to Save in and enter a file name. Then click on Save", and "Go to that folder to find your PDF file".
