

## Which Version is Right for Me?

Use CoreSSG if...

- You've never done an SSG before
- You only do an SSG about once a month
- You've done less than 20 SSGs
- You want an educational refresher
- You are demonstrating the methodology to someone new

## Which Version is Right for Me?

Use SSGPlus if...

- You do more than 20 SSGs a year
- You are a current or former Toolkit user
- You want the Preferred Procedure functionality
- You want the Bank Analysis functionality
- You want to see in-depth quarterly data
- More portfolio reports
- More screening criteria
