### Before Getting Started:

- You can now fully process your club's renewal and payment online with the Club Renewal Calculator at: [www.BetterInvesting.org/ClubRenewal](http://www.BetterInvesting.org/ClubRenewal). You may also use this provided worksheet. Please also ensure you verify the name/address of the club contact. Update as necessary.
- Refer to the Club Roster. Verify current club members. Cross out names of persons no longer in the club. Verify and update all member information with current address, phone number and email address. Please include valid email addresses so club members will receive educational and other communications from BetterInvesting.
- Add new club members in the spaces provided or attach a separate sheet listing all new member information. **If your club would like to enroll in Investment Club Connect to match with potential club members, visit: [www.BetterInvesting.org/Connect](http://www.BetterInvesting.org/Connect).**
- Check the Renewal Worksheet for any optional upgrades. If the upgrade was purchased through the club, add it to the total. If the member is paying on their own, cross it out. Note: the member will receive a separate upgrade renewal notice and can visit [www.BetterInvesting.org](http://www.BetterInvesting.org) or call us at (877) 275-6242 with any questions.

### Renewal Worksheet Instructions:

**Step One:** Calculate Club Dues. Determine whether the club is renewing for 1, 2 or 3 years. The club dues renewal term must be the same as the club membership term for all members. Enter the appropriate amount.

**Step Two:** Calculate Club Membership. Indicate the number of years that the club is renewing (see Step One). The Club Memberships renewal term must be the same as the Club Dues term for all members. Enter the number of members in the club. Multiply the Club Membership cost by the number of club members. Enter the appropriate amount.

**Step Three:** Select Membership Upgrades. Refer to Club Member Roster. For each Core or Plus upgrade, determine the total number of members that the club will submit payment for and enter that amount. Multiply the appropriate upgrade fee by the number of members getting the upgrade. Enter the total for each upgrade category.
