We always need help with...

- Create flyers, postcards or chapter emails, Facebook posts
- Social media (experience helps)
- Curate newsletter articles
- Web page administration or article creation
- Publicity coordination
- Member & club support - visit new and existing clubs

- Audio-visual equipment setup
- Hospitality - meet & greet at chapter events
- Facilities - find low cost (free) facilities to hold chapter events
- Supplies - Order and bring BI collateral for chapter events
- Classroom or webinar backroom support

We always want BI instructors (online tools training or BI methodologies) **or someone who wants to become a BI instructor**. Can you create Microsoft® PowerPoint® or Google Slides™ presentations? Can you assist with online or face-to-face investing program development?
