

OLC Pilot Portfolio Contest 2022

The Online Chapter (OLC) is conducting a pilot Portfolio Contest between February 13, 2022 and July 29, 2022. The purpose of this pilot start is to be able to get ideas from the participating clubs on how to structure the annual contest (starting in August 2022). During the pilot period, we are planning on holding a workshop to gather ideas from both contest participants and others interested in participating in future contests on how this contest can be structured to be a meaningful educational event that reinforces BI's principles and stock analysis tools.

The entrants, their portfolios, and their standings can be viewed by clicking on [Club Summary](#) and [Club Details](#). Periodic updates on the progress of the Portfolios will be published here and sent to our members via Interspire emails and our OLC Monthly NewsBulletin. Stay tuned for an announcement, likely in mid June, of the first annual contest to start at the beginning of August, 2022. If you have any questions or suggestions, email contact@online.betterinvesting.net with "Portfolio Contest" in the subject line.
