

Pittsburgh Chapter – BetterInvesting Newsletter

October 2025 Edition

You're here because you care about building something real together, not just chasing tickers. This newsletter comes to you from The Pittsburgh Chapter Volunteer Directors to keep you informed on local opportunities with BetterInvesting's resources and what's in our future.

Interesting Fact

- The Pittsburgh Chapter serves Erie, Punxsutawney, Altoona, Johnstown, Pittsburgh, Greensburg, Somerset, Wheeling, Morgantown, and the Clarksburg areas. Know someone in these communities, suggest they visit us!

Member spotlight

- On September 18, 2025 the BetterInvesting Board of Directors appointed Wayne A. Thorp, CFA, as the Company's new Chief Executive Officer. Read more about Wayne Thorp here: [BetterInvesting Names Wayne A. Thorp as New CEO to Lead Next Phase of Investor Education Growth](#)

Education corner

- Looking for more knowledge about the BetterInvesting approach? Visit the Video Learning Library containing on-demand videos (80+ in Core, 100+ in Plus) covering SSG, charting, guest speakers, and more here [Video Learning Library | Better Investing](#)

Value Line Free Access

- All Pennsylvania residents have free access to the Free Library of Philadelphia, including Value Line online. You will need a Free Library of Philadelphia card. To access the Library, go to: <https://www.freelibrary> Click in the upper right corner of the home page to sign up for one and a PIN.
---Or---
- Residents of Allegheny County can register for a card here and receive instant access to a wide array of eBooks, downloadable materials, and other electronic resources including Value Line To obtain a library card go to: selfreg.einetwork.net

Get involved

- You don't have to be an expert with BetterInvesting Online Tools (SSG, SCG, etc.) to be a Chapter Volunteer. There are many support roles beyond stock analysis and time commitments are minimal. Please consider volunteering your time to help further our efforts!

Club and Member Activity Suggestions

- Bring one SSG: A candidate we're underweight or a sell thesis for a laggard.
- Risk check: Propose a max position size for new purchases.
- Lightning pitches — 3-minute pitch, 2-minute Q&A; one decisive reason to own or pass.

Contacting the Chapter
