“...Behold, a virgin shall conceive, and bear a son ... and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.” -- Isaiah 7:14; 9:6.

Merry Christmas and Hanukkah Sameach.

Happy Holiday Greetings to you all.

This has been a rough year for us all in many ways, but it looks like a light at the end of the tunnel may be shining - through the release of several vaccines.

I want to take a moment to thank you for volunteering as a member of the BetterInvesting community, especially in the Central Region. Whether in the capacity as president, as chapter directors and volunteers, as a Region Manager for several chapters, or volunteering to bring the BetterInvesting message to your clubs, friends, and neighbors, it did not go unnoticed by me. I'm just bad at letting you know how thankful I am for your service to this community.

Here's wishing you a most wonderful Holiday Season and a better 2021 than 2020 was.

Sincerely,

Bobbie
