Monthly Mentoring Series

Join us Thursday, November 13th at 7:00 PM ET for this month's Mentoring Session, chapter director Jim, who will walk us through his SSG and First Cut Report on Triple Flag Precious Metals (TFPM).

TFPM, a growing precious metals royalty and streaming company, offers a unique business model with exposure to gold and silver—without the operating risks of mining. Jim will cover how he approached the analysis, what stood out in TFPM's fundamentals, and how it fits into a diversified portfolio.

This is a great opportunity to sharpen your skills in evaluating resource-based businesses and ask questions about applying BetterInvesting tools to a non-traditional sector. Create your own SSG and First Cut for TFPM and follow along!

Join us every month on the 2nd Thursday at 7:00 PM ET for an in-depth look into different aspects of the SSG. Have questions? Get them answered here!
